

## Gluten Free and Vegan Sauces

### Gluten Free Options:

- Orange Pineapple
- Red Wine
- Lemon
- Garlic Sauce
- Red Pepper
- Ginger (Only the original recipe. The newer, orange-ginger, is not)
- Curry
- Garlic, Sesame, and Canola Oils

All dry spices are gluten free and vegan.

### Vegan Options:

All sauces, excluding the Mongolian Sauce, Alfredo, and Cheddar.

Also make note that our Caesar dressing has anchovies in it, so it is not vegetarian or an option for folks with seafood allergies.
